

Exhibition Name: Illunification

Artist: L.Victor Art, Lauren Lola Victor

Music Producer: Brizion, Brian Zanchetta

Date: Friday, Dec. 14th 4-8pm

Location: 936 Garnet Avenue

Description: Illunification is an immersive and collective art experience, combining art, music, and energy. It invites you to bring your energy to the space, and connect/explore an alternative universe through cosmic art and sound. This work was created by Lauren Lola Victor and Brian Zanchetta, with the intention for you to choose to engage in co-creation of the space as it evolves in use throughout the evening. The space is open to all ages and will display an active art exhibition and sound experience.

Illunification is one doorway, opening to the contemplation of an alternate cosmos, in which you are allowed to participate and engage with art, time, and space in the ways that resonate with your highest and unique energetic vibration.

All ages. Ecstatic dancing encouraged.
