

Join us to discover the possibilities of an EcoDistrict in
MISSION BEACH PACIFIC BEACH MISSION BAY PARK

COMMUNITY WORKSHOP

ENVISION. CREATE. SUSTAIN.

Building off of the EcoDistrict events last year, members of your neighborhood are volunteering their efforts to implement projects that realize a more beautiful, resilient, and sustainable community – come learn which projects are moving forward and how you can participate!

WHEN Tuesday, April 29th, 6:00-8:00 pm
WHERE Pacific Beach Middle School, 4676 Ingraham Street, Pacific Beach

HISTORY The American Institute of Architect's (AIA) Sustainable Design Assessment Team (SDAT) came to our community in December 2013. A report of their recommendations will be reviewed as well as other community initiatives at this workshop.

You can download this report at beautifulpb.com and aiasandiego.org/cote.
