CONNECT PB

COMMUNITY WORKSHOP

ENVISION. CREATE. SUSTAIN.

Our vision: to connect Pacific Beach by implementing a more sustainable transportation system that is safe, comfortable, effective, and beautiful. Come participate in this interactive workshop and be part of PB's future.

WHEN Saturday, August 2nd, 8:30-10.30 am

WHERE Mission Bay High School Library, 2475 Grand Ave, San Diego, CA 92109

HISTORY beautifulPB is working to establish a network of safe routes for all members of the community, connecting the residential, business, and recreational areas within Pacific Beach and the San Diego region. This is a recommendation from the American Institute of Architect's (AIA) Sustainable Design Assessment Team (SDAT), who came to our community in December 2013.
